

Chain Condom™

Protect Your Goodies.™

"The Chain Condom is easy to use and very effective."
www.velonews.com/article/93096

Transport and store your bike with the simple-to-use drive train cover that installs in less than a minute.

\$20.00 MSRP

- Ends greasy marks on your car's upholstery and your clothes.
- Helps protect your drive train from road gunk when used on a rack.
- Works with both road and mountain bikes.

Open the Chain Condom & slide it around the front chain rings.

Slide the cover up and over the rear derailleur.

Close up the cover with the hook-and-loop closure.

Look for us at the RAGBRAI® Expo or order online before you pack for your trip.
